CHAPTER 5 : USING A MOUSE

Introduction

Discuss about a mouse and tell the students about importance of it in a computer.

Interactive Questions

1. What is a mouse?

2. Why is mouse used?

3. What mouse contains?

4. What are the different buttons present on a mouse?

5. What is the use of buttons present on a mouse?

Focus Points

1. Make the students aware the importance of a mouse in a computer.

2. Ask them to demonstrate the work of a mouse.

3. Ask them to tell the different buttons of a mouse.

How to End the Chapter

Realise the students about importance of a mouse in a computer, without it we cannot move smoothly in the computer programs.

Suggested Activity

Mark (✓) on the work that you can do with a mouse and (✗) that you can't.
